Bristol Street and Avenue Guide

... and ...

Directory of Householders 1929

Copyright, 1929, by Hill Directory Co., Inc.

In the following list the streets are arranged in alphabetical order, the numerically named streets follow immediately the named streets in numerical order without regard to geographical location, then the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupant or householder. In the business blocks containing offices the occupants are shown by room numbers where practicable. In all streets both sides of the streets are included in one list. The profession, business, etc., of individuals and firms are only given at their respective place of business; to find occupation of householders, refer to Alphabetical List of Names.
