INTRODUCTION

HILL DIRECTORY CO., Inc., publishers of Southeastern Directories, present to subscribers and the general public, this, the 1936 edition of the Bristol City Directory.

Confidence in the growth of Bristol's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Bristol to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Bristol Directory will fulfill its mission as a source of authentic information pertaining to the city.

Four Major Departments

The four major departments are arranged in the following order:—

THE BUYERS' GUIDE, pages 17 to 40, printed on tinted paper, contains the advertisements of leading manufacturing, business and professional interests of Bristol. The advertisements are indexed under headings descriptive of the business represented. This is reference advertising at its best, and merits a survey by all buyers eager to familiarize themselves with sources of supply. In a progressive community like Bristol, the necessity of having this kind of information immediately available, is obvious. General appreciation of this fact is evidenced by the many reference users of this City Directory service.

THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is included in pages 41 to 364. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Bristol, and the name, official personnel, nature and address of each firm and corporation in the city.

THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, covers pages 365 to 424. In this section the named streets are arranged in alphabetical order, followed by the numbered streets in numerical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street.

THE CLASSIFIED BUSINESS DIRECTORY is included in pages 425 to 475. This department lists the names of all

business and professional concerns in alphabetical order under appropriate headings. This feature constitutes an invaluable and indispensable catalog of the numerous interests of the community. The Directory is the common intermediary between buyer and seller. As such it plays an important part in the daily activities of the commercial and professional world. More buyers and sellers meet through the Classified Business Directory than through any other medium.

Municipal Publicity

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Bristol.

The Bristol Directory Library

Through the courtesy of the publishers of the Bristol City Directory, a Directory Library is maintained in the offices of the Bristol Chamber of Commerce, for free reference by the general public. This is one of more than 450 Directory Libraries installed in the chief cities of the U. S. and Canada by members of the Association of North American Directory Publishers, under whose supervision the system is operated.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

HILL DIRECTORY CO., Inc.,
Publishers.

BRISTOL

"A GOOD PLACE TO LIVE"

Statistical Review

Form of Government—Va., city-manager; Tenn., commission.

Population—Total, 20,845; males, 9,927; females, 10,918; total colored, 2,143; white males of age, 5,043; white females of age, 5,753 (1930 U. S. Census). Local estimate at present, 25,000. American-born, 99.3%.

Area—5.5 square miles.

Altitude—1,700 feet above sea level.

Climate—Mean annual temperature, 61.6 degrees F; average annual rainfall, 45 inches.

Parks—1, with 2 acres, valued at \$20,000.

Assessed Valuation—Va., \$6,544,511, with \$2.60 per \$100 tax rate; Tenn., \$7,550,135, with \$2.20 per \$100 tax rate.

Bonded Debt—Va., \$1,112,300; Tenn., \$1,776,000.

Financial Facts—3 banks and 1 trust company, with total deposits of \$6,473,236.27 (Dec. 31, 1935), and total resources of \$7,551,710.95 (Dec. 31, 1935). Clearings, \$38,300 daily.

Postal Receipts—\$175,395.36 (fiscal year ended June 30, 1936).

Telephones in Service—4,206.

Churches—32, representing leading denominations.

Industry—Chief industries of city and surrounding territory: Manufacturing, agriculture, dairying and poultry-raising. 54 manufacturing establishments, employing 1,600 men and 2,400 women, paying wages of \$3,000,000 annually, and having products valued at \$15,000,000 annually. Principal manufactured products: Paper and pulp products, leather belting, mine cars, veneers, overalls, thread, chemicals, drugs, knit garments, caskets, dairy products, candy, mirrors, dresses, castings, machinery, lumber and building materials.

Trade Area—Retail area has radius of 50 miles, and population of 300,000; wholesale area, radius of 100 miles, and population of 500,000.

Newspapers—2 dailies.

Hotels—5, with total of 600 rooms. Newest hotel opened in 1927.

Railroads—2: Norfolk & Western and Southern.

Highways—U. S. 11 and 58; Tenn. 19 and 421; Va. 34.

Airports—2, including 1 municipal.

Amusements—Largest auditorium in city (theatre) seats 1,250 persons. 3 moving-picture theatres, with total seating capacity of 2,625 persons. 2 golf courses.

Hospitals—5, with total of 110 beds.

Education—Sullins College, Virginia Interment College and King College located here. 16 public schools, including 2 senior high. Number of pupils in public schools, 5,568; teachers, 169. Value of public school property, \$900,000; college, \$800,000.

Public Libraries—1, with 8,000 volumes.

City Statistics—Total street mileage, 80, with 72 miles paved and 2 miles under construction. Miles of sewers, 40. Capacity of water works (municipal), 6,000,000 gallons; daily

average pumpage, 3,000,000 gallons; miles of mains, 57; number of water meters, 3,275; value of plant, \$1,300,000. Police department has 20 men, with 2 stations and 6 pieces of motor equipment.

General Review

Bristol, Virginia-Tennessee, is located on the state line. It is, in fact, two cities, one in Virginia and one in Tennessee. Its main business thoroughfare is the state line.

Bristol is in the valley midway between the Blue Ridge and the Cumberland mountains. This valley is drained by the rivers which ultimately form the Tennessee River. Its elevation above sea level ranges from 1,700 to 2,000 feet, while mountains on either side of the valley have an elevation of from 3,000 to 5,000 feet. Bristol's mean annual temperature is 61.6 degrees, ranging from an average of 78 degrees in July to an average of 43.3 degrees in January. The annual rainfall ranges from 42 to 48 inches. The average relative humidity is about 63%.

Due to absence of climatic extremes, its elevation above sea level, and its beautiful surroundings, Bristol's well-known slogan, "A Good Place to Live," is certainly appropriate.

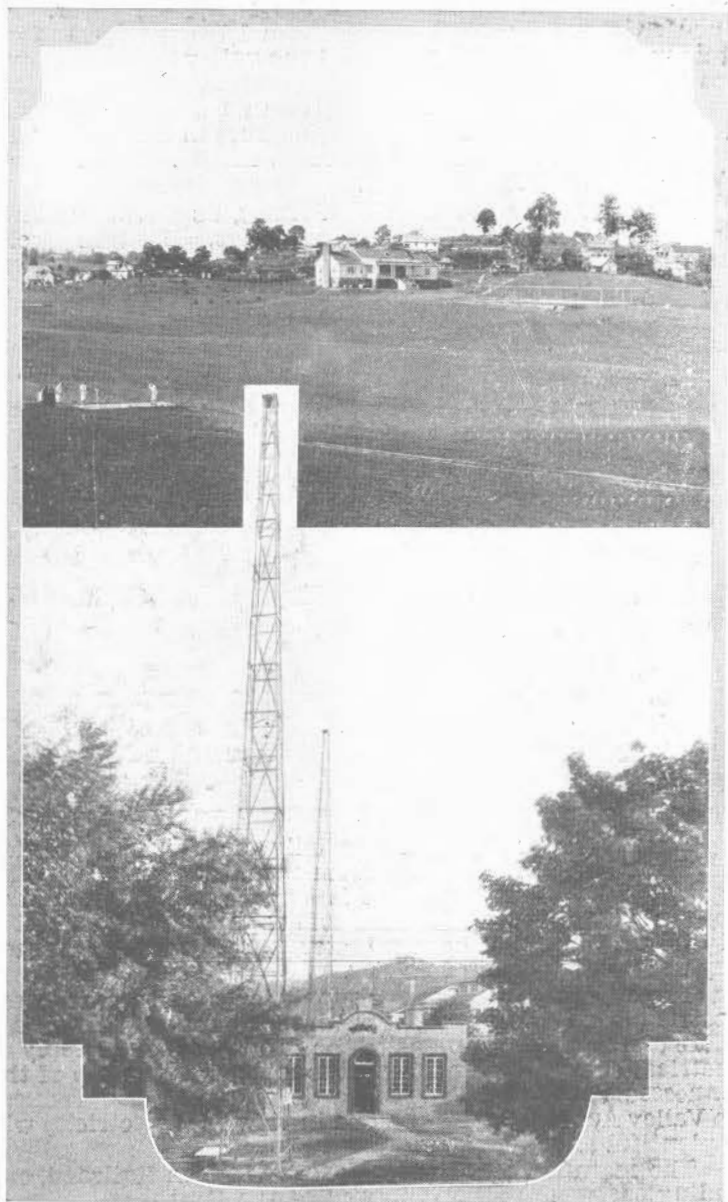

Bristol's water supply is especially good. The supply for the Virginia side is obtained from mountain springs. The supply for the Tennessee side is being obtained from the Holston River at a point where soft water is available. No city in the world will have a better, purer or more satisfactory water supply than this city.

The city's electrical power supply is derived from hydro-electric plants on nearby rivers, and is abundant and cheap. There can be no question as to the future cost and supply of electrical energy, inasmuch as it is located at the top of the Tennessee Valley, which is being developed by the Tennessee Valley Authority with the end in view that electricity will be plentiful and cheap.

The main lines of the Norfolk & Western Railroad, extending eastward to Norfolk, and of the Southern Railway, extending southwest to New Orleans, meet at the state line in Bristol. These two railroads provide Bristol with splen-

did freight and passenger service in all directions. Through Pullman trains are provided from New Orleans to New York and Memphis to New York via Roanoke, Washington and Philadelphia.

Good hard-surfaced highways radiate in all directions. U. S. Highway No. 11, forming part of the "Broadway of America," is the principal paved road serving Bristol. U. S. Highway No. 58 leads to the northwest to Cumberland Gap and on into Kentucky. Tenn. No. 19 leads through Johnson City and Erwin, over the Blue Ridge to Asheville, Tenn.

Bristol Country Club

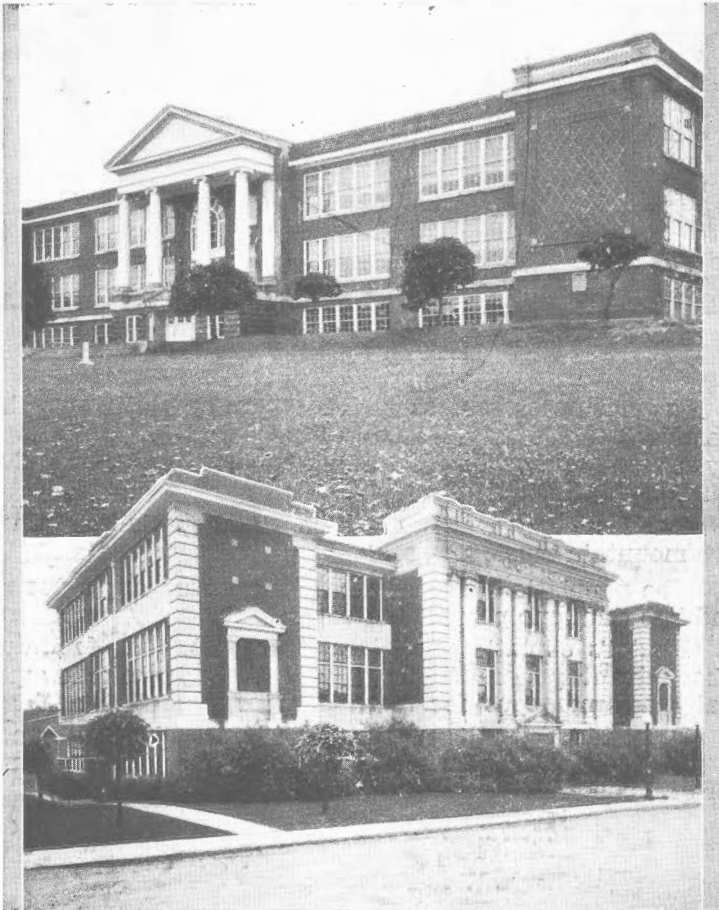

WOPI Broadcasting Station

Highway No. 421, a beautiful road, leads to the South over the Holston, Iron and Blue Ridge mountains.

The historic spots and scenic beauty in the vicinity of Bristol make it a very popular place for tourists travelling from the North to the South.

The rhododendron, a beautiful flower which grows in profusion in nearby mountains, is in full bloom between June 15 and July 1. The Cherokee National Forest Reserve, embracing about one-quarter million acres of forest, is in close proximity to Bristol. Not far away to the southwest is the Great Smoky Mountain National Park, rapidly developing into one of America's most attractive and scenic playgrounds.

Bristol is an important manufacturing, wholesale and retail center. Its Products cover such items as leather, paper, wood pulp, glass, drugs and chemicals, mine cars, overalls, knit underwear, dresses, hosiery, dairy products, candy, veneer, structural steel, thread, paper boxes, caskets, trailers, mattresses and all kinds of building material.

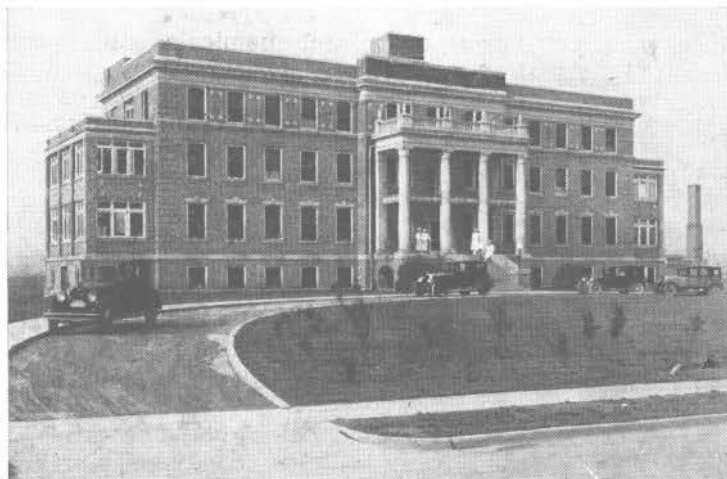

Two of Bristol's High Schools

Bristol is also an important educational center. Sul-lins College and Virginia Intermont College each accommodate in the neighborhood of 400 girls. King College, formerly a boys' school, now co-educational, is a splendid educational institution of many years' standing.

Rivers and mountains near the city provide many beautiful spots that are used for camp sites, Camp Cherokee, for boys, and Camp Sequoya, for girls, are located nearby.

Bristol is a civic-minded city, such organizations as Rotary, Kiwanis, Lions, Civitan, Y. M. C. A., Salvation Army, Boy Scouts, and Chamber of Commerce are all active in community work.

King's Mountain Memorial Hospital

The natural resources of Bristol and vicinity may be considered to comprise its agricultural possibilities, its supply of coal, silica sand and hardwood lumber and its rich mineral deposits.

The local Broadcasting Station WOPI specializes in native mountain music and song.

The population is to a great extent pure Anglo-Saxon, and less than one percent is foreign-born.

Bristol's climatic conditions, transportation facilities, labor advantages and supply of raw material make it especially advantageous for manufacturing.

Detailed information regarding Bristol and its surrounding territory will be furnished gladly by the Bristol Chamber of Commerce.
