March Events

Journal Jam Series Part 3 Glowforge Rubber Stamps

THU. MAR 13 | 4:00-5:00
THU. MAR 13 | 5:30-6:30

Create a personalized rubber stamp with the Jones Center's Glowforge laser cutter. Prior experience is not necessary, but participants should be comfortable using computers.

Reservations are required. \$5 for each Stamp

Embroidery Meetup

Main Branch

MON. FEB 10 | 5:00-6:30

Avoca Branch

TUE. FEB 18 | 5:00-6:30

Bring your embroidery project or learn the basics. Share tips, tricks and your projects with others.

Earn a Free Chromebook!

Classes: Tue & Thu 10:30-12:00 March 4- April 3

Thanks to funding from the TN Dept. of Economic and Community Development and the United Way of Bristol TN/VA, the Jones Center is offering free Chromebooks to registered participants of our Senior Planet's Chrome Essentials Course (Ages 60+)

We will be giving this class in April at the Slater Center, sign up there!

New Classes starting in March!

Tech for Everyday Life:

Wednesdays 3:30-5:00 starting March 19th

Computer Essentials:

Wednesdays 1:00-2:30 starting March 26th

SENIOR PLANET

FROM AARP

Stay Connected with FREE Technology Classes!

Bristol Public Library is excited to team up with Older Adults Technology Services (OATS) from AARP and its flagship program Senior Planet, to bring us all together again!

If you or someone you know is an older adult in the Bristol area, join us for FREE class sessions on health & wellness, technology, socialization, and much more.

PC Classes

Meets Each Week,
Join Anytime!

Senior Planet: Online Basics

Wednesdays

1:00-2:30

This series will review the fundamentals to help you confidently navigate life online. We'll cover what device to choose and how to make sure it's connected to the internet, tips for protecting your personal information, and more!

Senior Planet: Exploring A.I.

Wednesdays

3:30-5:00

Come learn about artificial intelligence and ways you can take advantage of this new exciting tech!

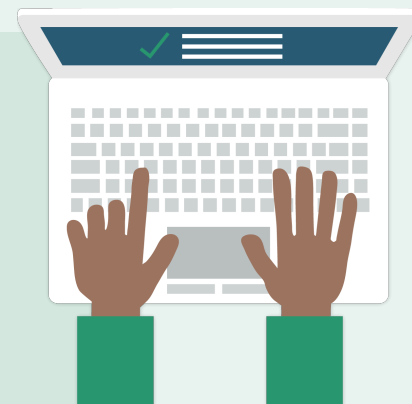

We'll look at ways we can use AI tools to help with a variety of tasks from writing emails to creating artistic images. You'll also learn tips for identifying AI-generated content, best practices for using AI, and how to stay safe.

Cell Phones/ Tablets

Fridays

3:00-4:30

We will explore mobile phones and tablets in this series. Each week covers a different topic. Both Android and Apple products are welcome.
